2. In the SSLE Center in CarmenCanvas
3. [Access Blue](#).

Course evaluation data that was collected starting Summer 2018 is available in Blue. The SEI Cumulative and All Overview Reports contain data Summer 2018 - Summer 2025. The SSLE Cumulative and All Overview Reports contain data from Autumn 2025 - present.

## Types of Reports (see attached samples)

### 1. Cumulative Fixed-Response Survey Data

**SSLE Cumulative Report (Blue): Use for RPT Interfolio Cumulative Fixed-Response Survey Data section for Summer 2018**

This report contains responses for all classes from Autumn 2025 - present. Response data for all classes from Summer 2018 - Summer 2025 are in the SEI Cumulative Report.

1. Mean scores for each question for each class in order by term.
2. Number of responses, class size, and university comparisons by class size.

### 2. Fixed-Response Student Evaluation Data

**SSLE Overview Report (Blue): Use for RPT Interfolio Fixed-Response Student Evaluation Data section for Summer 2018 onward**

The SSLE Overview Report is a one-page summary of your class that includes a Frequency Analysis and a Score Analysis comparing your scores to the department, and to same-size classes in your college and the university.

The SSLE All Overview Reports contain all of your one-page Overview Reports in a single report. There are two versions: one report for all regular/standard classes and one report for combined/cross-listed classes. Please delete classes that are not in the annual review period (, e.g., all classes taught in calendar year 2025).

## **REPORTS FOR INSTRUCTOR USE ONLY:**

### **SSLE Class Detail Report (Blue): Do NOT use for P&T dossiers!**

This multi-page report contains the information from the Overview Report along with additional data:
